Boston Picture Framing Workshop

Framers Workshop

Framers' Workshop has been framing pictures in Boston for over 36 years. We do good work, and so can you. At Framers' Workshop you can do your own framing or have us do it for you.

Custom Framing

plenty of experience framing just about everything. Original art, textiles, sports jerseys, garden tools; you'd have to try pretty hard to stump us. And just because it's affordable doesn't mean it's low quality. We'll do everything in our power to ensure that you're happy with your finished product. Custom labor charges typically range from $40 to $60 per piece, in addition to materials.

Do It Yourself

Framing your own artwork is the best way to save yourself from custom fees and waiting-time. At Framers' Workshop we have ten do-it-yourself workstations and a collective 100 years of framing know-how. For a $3 shop fee, we'll help you with your project step-by-step. If you have a question or feel a bit confused –don't panic– just let us know. If you make a mistake, we'll correct it to the best of our ability.
